NEW YORK, September 23.—Paul O. Stendand, self-confessed embezzier of funds from the Milwaukee Avenue State Bank of Chicago, of which he was president, is to-night on his way to Chicago, a massensor on the Twentieth Censury Limited, ready and willing, he says, to admit his guilt, but at the same time determined to accuse others whom he failus were equally culpable for the waveking of the institution and its attendant longer of millions of dollars. Following a steepless night in a cheer, case cell, in which a pineboard was the only resting place, he was lined up with a score of pickpeckets and other criminals this morning and forced to pass in case where the detective sergeants. ## The Old Southern Plantation Melodies

The genuine Southern ones, that are dear to the heart of every Southerner-and every American-can be enjoyed any evening, if you possess a VICTOR TALK-ING MACHINE,

But the hundreds of these "HIS MASTER'S VOICE" old songs, true as life and natural as the land that loves them, are only an inkling of

the endless variety of the Victor program.

Within the same hour you can hear a grand opera, listen to the voice of a great soul long since passed away, or laugh with the merry singer of the latest popular air.

No one questions the mechanical perfection and superiority of the VICTOR—all concede it the best made. It comes in many attractive styles-the latest being the VIC-TOR VICTROLA.

The prices are positively a wonder. Seventeen dollars starts you, and then they run on up to the finest. The terms are the best feature. You can own one if you wish.

PIANO DAYS—the season when you should buy one—are here. We earnestly recommend the "Moses line" to you. It suits every taste. Write or call for particulars,
